

AP Human Geography Summer Prep - 2018-2019

Mesquite High School

Mr. Martin - kmartin@mesquiteisd.org

Teacher Website: www.mrmartinsclass.com (links and files are here as well)

Welcome to AP Human Geography at Mesquite High School! I'm providing you resources so this class will be **significantly easier** Mesquite High School at the start of next year. **Whether or not you choose to take advantage of these resources is up to you.** I am including the following in this document:

1. A supply list - you should go buy these items in early August, when they are on sale at Walmart and everything is still in stock.
2. A world region map - we will have a region map exam within the first two weeks of school - **Quizlet study link is here:** https://quizlet.com/_4rmok1
3. A link to the "Big Ideas" packet, which contains one page summaries of every major concept in the course. We will have a practice AP Human Geography exam within the first two weeks of school. The more of these concepts you know before school starts, the better prepared you will be. You will get a paper copy of this packet on the first week of school. **Go to www.mrmartinsclass.com to download.**
4. All major vocabulary words (this course is **very** heavy on vocabulary) for the course in a quizlet link: https://quizlet.com/_ofpfj

Supply List:

1. Blue or black pens and pencils - written essay exams must be completed in pen, multiple choice in pencil
2. Box of colored pencils
3. One heavy duty plastic folder with prongs/brads, so you can store your Big Ideas packet and it won't get damaged.
4. 200 blank index cards - we will make vocabulary flash cards throughout the year so you can study them
5. iScore5 - Review App for iOS & Android phones: Very thorough and fun review app made by AP Human Geography teachers. It costs \$5 and is a great option if you don't want to buy a review book. www.iscore5app.com to find the app! We will use the app frequently in class this year.
6. *Seedfolks* by Paul Fleischman - a very short (70 pages) fiction novel full of connections to AP Human Geography. **Not required for summer reading. We will read this during the school year.** You can buy this for \$4-5 on Amazon.
